EXPERTISE

The power to connect, inspire and create meaningful relationships is the gift Peter Paul has to offer. A real peacemaker connecting people to people and people to new inspiring insights. Understands the dynamics of the board, being responsible for Marketing & Sales in his previous career as member of the management team. His talent to develop business and demystify the magic of selling is part of his DNA.

A non-conformist who challenges the status quo in a world which is Vulnerable, Uncertain, Complex and Ambiguous. Peter Paul is able to take a holistic view and how to ignite the spirit in people. He is a specialist in team & organization dynamics and executive coaching.

QUALIFICATIONS

Peter Paul graduated from the Erasmus University with a Master's degree in Business Law. He is a Transactional Analysis practitioner. Certified in a number of psychometric instruments, including Barrett Culture Transformation, the Enneagram, Oxford Leadership Train the Trainer programs and recently certified by The True Purpose Institute for individual & organizational purpose discovery.

CLIENTS

APG, Cardano, Aircraft Fuel Supply, Allianz Global Corporate Services, Billfinger, NN, ABNAMRO, Van Gansewinkel. ING, Rabobank, Hapag Lloyd, Roos & vd Werk plus > 800 individuals who experienced the Purposeful Personal Leadership Journey

"The RedZebra Journey is one of the most powerful and impactful programs that I know. Both the material as well as the methodology are 'state of the art' in combination with highly professional facilitators."

Bart de Ruigh Former COO SNS BANK. now, Operations Manager UNICEF

"Only recently during a leadership retreat of the RedZebra group and with the expert guidance of Peter Paul these insights come to surface, allowing me to choose the life of truly fulfilled individual with purpose and impact.

Ana Helena Franco, Former executive RBS

"Afgelopen dagen heb ik aan een prachtige training mogen deelnemen onder de bezielende begeleiding van Peter-Paul Leutscher van Red Zebra Group. Heb al veel mogen doen op het vlak van persoonlijk leiderschap maar hier beginnen ze, waar veel programma's op hun best pas mee eindigen: in een sfeer van absolute veiligheid en vertrouwen, kwetsbaarheid, moed en grote onderlinge betrokkenheid en verbinding. En vanuit daar verder de diepte in. Enorme aanrader dus, I loved it.
